Customer FAQs

What floor & roof does this include?

This product will include either a T&G or Solid Sheet Floor and Roof subject to availability. Call our team for up to date info.

How easy are they to build?

Our sheds are easy and simple to assemble. Using the digital assembly instructions and a team of at least 2 people, the handy pre-assembled panels mean you will have the shed assembled in no time!

What warranty does this product come with?

This product has a 10 year manufacturers warranty.

Can I put the doors and windows in any configuration?

Yes! The doors and windows can sit on any side of the building, so this is completely up to you.
